

Dear LKC FES students,

Kindly be reminded that all students are required to update their latest COVID-19 vaccination status via student portal from time-to-time should there be any change in your vaccination status. Please take note that it is compulsory for all students to update their latest COVID-19 vaccination status in the student portal by 28 October 2021. Please be reminded that non-declaration shall lead to denial of access to the UTAR system.

Students who do not intend to register for COVID-19 vaccination or who are deemed not suitable to receive COVID-19 vaccination, are required to fill up the "[COVID-19 Vaccination Self-Declaration Form](#)" and submit the completed form to the Department of Student Affairs (DSA). Kindly liaise with the following DSA Person(s)-in-Charge (PIC) for the submission of your self-declaration form or for any enquiry regarding the vaccination status update and declaration:

Sungai Long Campus

Ms . Wong Jian Fen (wongjf@utar.edu.my)

We seek your kind cooperation on the above matters.

Thank you.
