

Dear All Final Trimester Software Engineering Students,

For Software Engineering Students (Final Trimester) Only

Great news!

Please be informed our programme, Bachelor of Science (Honours) Software Engineering is fully accredited and is recognized by Malaysia Board of Technologists (MBOT). MBOT is a professional body that gives Professional Recognition to Technologists and Technicians in related technology and technical fields.

With collaboration with MBOT, UTAR students will enjoy the benefit of MBOT E-Bulk Registration by sending application via UTAR for the MBOT registration as a Graduate Technologists. Graduate Technologists is an entry level registration in MBOT for candidates with a bachelor's degree or higher in the related Technology Fields which is recognized by MBOT. The Graduate Technologists who have registered and obtained a practical experience which is determined by the Board (minimum 3 years working experience in the related Technology Fields), paid the prescribed fee and complied with all criteria determined by the Board may apply to be a Professional Technologists.

As such, you are welcomed to submit your application for MBOT E-Bulk Registration latest by Week 7, 5/12/2021 by following the steps and deadlines set by the Faculty:
